Directors' Report

The directors present their annual report and the audited financial statements for the year ended 31 March 2020.

Principal Activities

Three Sixty SHG Limited (Three Sixty) is a wholly owned subsidiary of Stockport Homes Limited. The principal activities of the company are to provide construction and maintenance services.

Business Review

The 2019/20 financial year has been another successful year for Three Sixty which saw continued growth for the company in terms of turnover and staffing numbers. The company now has 64 direct employees delivering an increased portion of the Council's capital programme as well as works for other work streams which now makes up 7% of Three Sixties turnover.

The team have consistently delivered strong results throughout the year in terms of the cost, time and quality and are now in an ideal position to continue on the forecast trajectory of growth. Within 2020/21 the current business plan will be reviewed in light of future growth plans that are likely to exceed previous projections.

2019/20 saw the transfer of the Motiv8 service and associated staffing from Three Sixty, to Foundations Stockport, which is also a subsidiary of Stockport Homes. Motiv8 is a strategic fit with the charitable aims of Foundations Stockport, and the transfer of this service allows Three Sixty to focus on its core objectives.

Overall Three Sixty has made an operating profit of £653,000 in 2019/20 which is a significant improvement from the previous year. From this, the company has been able to gift aid £273,000 to Stockport Homes' charitable subsidiary, Foundations Stockport, which has always been the organisation's aspiration. Since its inception, retained earnings of £655,000 have been achieved to 31 March 2020. Three Sixty has demonstrated continued growth since its inception and this is set to continue with a view to increasing its potential to support the company's commercial and social objectives going forward.

At the time of writing this report, the Covid - 19 coronavirus pandemic is widely reported, and beginning to impact various economic sectors. Whilst Covid-19 did not adversely affect the 2019/20 accounts, any impact will begin to be seen against 2020/21 programmes and budgets. Whilst there may be a short term impact, it is envisaged at the date of these accounts that this will not affect the company's medium or long term plans.

Directors and Directors' Interests

The directors who held office during the year were as follows:

David Wright, Chair from 12.12.16

Peter Fitzhenry

Josephine Hague

Jenny Osbourne

Philip Pemberton

None of the directors had a beneficial interest in the shares of the company.

Mr. Paul Gerrard was appointed as a co-optee on 19 March 2018. However he is not a Director of the company.

Statement of Directors' Responsibilities

The directors are responsible for preparing the Director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

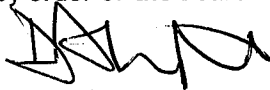

So far as each director is aware there is no relevant audit information of which the company's auditor is unaware and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant information and to establish that the company's auditor are aware of that information.

The auditor, Beever and Struthers, is deemed to be reappointed in accordance with section 487 of the Companies Act 2006.

Small Company Provisions

This report was approved by the board on 7 September 2020, and has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Auditor's Report to the Member of Three Sixty SHG Limited

Opinion

We have audited the financial statements of Three Sixty SHG Limited "the company" for the year ended 31 March 2020 which comprise the Statement of Comprehensive Income and Retained Earnings, the Statement of Financial Position and notes to the financial statements including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 Section 1A "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns;
or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's web-site at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our Report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements
(forming part of the financial statements)

1. Statutory Information

Three Sixty SHG Ltd is a private company limited by shares, registered in England and Wales. The registered office is Cornerstone, 2 Edward Street, Stockport, SK1 3NQ.

2. Compliance with Accounting Standards

The financial statements have been prepared in compliance with Section 1A of FRS 102, "The Financial Reporting Standard applicable in the UK and the Republic of Ireland".

3. Accounting Policies

Basis of Preparation

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, rounded to the nearest £'000, which is the functional currency of the entity.

Revenue Recognition

Turnover is measured at the fair value of consideration received or receivable and represents amounts received for goods supplied and services rendered, stated net of discounts and of Value Added Tax.

Revenue from the rendering of services is measured by reference to the stage of completion of the service transaction at the end of the reporting period provided that the outcome can be reliably estimated. When the outcome cannot be reliably estimated, revenue is recognised only to the extent that expenses recognised are recoverable

Fixed assets and depreciation

Depreciation is provided by the company to write off the cost or valuation less the estimated residual value of its tangible fixed assets by equal annual instalments over their useful economic lives as follows:

Site set up - 5 years

Tools and equipment - 5 years

A de minimis value of £1,000 applies to individual items. No depreciation is provided on freehold land or investment properties.

Pension costs

The company operates a defined contribution pension scheme. Contributions are charged to the profit and loss account for the year in which they are payable to the scheme. Differences between contributions payable and contributions actually paid in the year are shown as either other creditors or accruals at the year end.

Holiday pay accrual

A liability is recognised to the extent of any unused holiday pay entitlement which has accrued at the balance sheet date and carried forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the balance sheet date.

Income Tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference

Financial Instruments

All financial instruments held by the company are classified as basic with regards FRS 102. These instruments are initially recorded at the transaction price less any transaction costs (historical cost), FRS 102 requires that basic financial instruments are subsequently measured at amortised cost. Loans and investments that are payable or receivable within one year are not discounted.

Gift Aid

Gift aid payments are accounted for as a distribution. Gift aid payments are only accrued where a legal obligation to make the payment exists at the reporting date.
